

QUIK-END CLIP

Is an easy termination solution. Doing away with end knots and improve the strength of your fence at the same time. Faster than tying off a knot and great value, these clips will save time and money while increasing the strength of your fence.

QUIK-END CLIP

SPK00052 06/06/2024

INSTALLATION

It really is that simple.
Scan the QR Code and watch the video

01

Bend wire 180 degrees with a tail no less than 50mm or 2"

03

Pull up through the loop and pull tight

02

Slide the Quik-End Clip over the bend

04

Feed around post and clip back onto wire

QUIK-CLIP RANGE

The no-knots fencing solution. Quik-Clip Permanent Wire Strainers are convenient to use, reducing installation time while providing uniform strainer positioning. The wire simply clips onto itself, locking against the strainer post

Ideal for small lifestyle block owners and fencing novices unfamiliar with fencing knot application
